

NCERA– 216 Webinars

At the Core and in the Margins: The Incorporation of Mexican Immigrants in two Rural Midwestern Communities.

Dr Julia Albarracín

Join us on **December 21, 12pm, CST / 1pm, EST**

Dr. Albarracin will be presenting an overview of her book.

Beardstown and Monmouth, Illinois, two rural Midwestern towns, that have been transformed by immigration in the last three decades.

This book examines how Mexican immigrants who have made these towns their homes have integrated legally, culturally, and institutionally. Based on 260 surveys and 47 in-depth interviews, this study combines quantitative and qualitative research to explore the level and characteristics of immigrant

Dr. Julia Albarracin is the Dan and Laura Webb Professor of Political Science at Western Illinois University. She received her Ph.D. in Political Science from the University of Florida (2004) and has published numerous articles and book chapters on immigration, Latinos studies, and political participation.
